## BEFORE INSTALLING THIS SOFTWARE PROGRAM, YOU SHOULD CAREFULLY READ THE FOLLOWING END USER LICENSE AGREEMENT.

This software program, any printed materials, any on-line or electronic documentation, and any and all copies and derivative works of such software program and materials (the "Program") are the copyrighted work of Knowledge Adventure, Inc. All use of the Program is governed by the terms of the End User License Agreement which is provided below ("License"). The Program is solely for use by end users according to the terms of the License Agreement. Any use, reproduction or redistribution of the Program not in accordance with the terms of the License Agreement is expressly prohibited.

### END USER LICENSE AGREEMENT

1. **Limited Use License.** Knowledge Adventure, Inc. ("KA") hereby grants, and by installing the Program you thereby accept, a limited, nonexclusive license and right to install and use one (1) copy of the Program for your use on either a home or portable computer.
2. **Ownership.** All title, ownership rights and intellectual property rights in and to the Program and any and all copies thereof (including but not limited to any files, computer code, themes, objects, characters, character names, stories, text, dialog, catch phrases, locations, concepts, artwork, animations, sounds, musical compositions, audiovisual effects, methods of operation, moral rights, any related documentation, and "applets" incorporated into the Program) are owned by KA or its licensors. The Program is protected by the copyright laws of the United States, international copyright treaties and conventions, and other laws. All rights are reserved. The Program may contain certain licensed materials, and KA's licensors may act to protect their rights in the event of any violation of this Agreement.
3. **Responsibilities of End User.**
  - A. Subject to the Limited Use License as set forth above, you may not, in whole or in part, copy, photocopy, reproduce, translate, reverse engineer, derive source code from, modify, disassemble, decompile, or create derivative works based on the Program, or remove any proprietary notices or labels on the Program without the prior consent, in writing, of KA.
  - B. The Program is licensed to you as a single product. Its component parts may not be separated for use on more than one computer.
  - C. You are entitled to use the Program for your own use, but you are not entitled to:
    - (i) sell, grant a security interest in or transfer reproductions of the Program to other parties in any way, nor to rent, lease or license the Program to others without the prior written consent of KA;
    - (ii) exploit the Program or any of its parts for any commercial purpose including, but not limited to, use at a cyber café, computer gaming center or any other location-based site (KA may offer a separate Site License Agreement to permit you to make the Program available for commercial use; contact KA for details); and
    - (iii) host or provide matchmaking services for the Program or emulate or redirect the communication protocols used by KA in the network feature of the Program, through protocol emulation, tunneling, modifying or adding components to the Program, use of a utility program, or any other techniques now known or hereafter developed, for any purpose including, but not limited to, network play over the Internet, network play utilizing commercial or noncommercial gaming networks, or as part of content aggregation networks without the prior written consent of KA.
4. **Program Transfer.** You may permanently transfer all of your rights under this License, provided the recipient agrees to the terms of this License and you agree to remove the Program from your home or portable computer.
5. **Termination.** This License is effective until terminated. You may terminate the License at any time by destroying the Program. KA may, at its discretion, terminate this license in the event that you fail to comply with the terms and conditions contained herein. In such event, you must immediately destroy the Program.
6. **Export Controls.** The Program may not be re-exported, downloaded or otherwise exported into (or to a national or resident of) any country to which the U.S. has embargoed goods, or to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Commerce Department's Table of Denial Orders. By installing the Program, you are agreeing to the foregoing and you are representing and warranting that you are not located in, under the control of, or a national or resident of any such country or on any such list.

7. **Limited Warranty.** KA EXPRESSLY DISCLAIMS ANY WARRANTY FOR THE PROGRAM AND MANUAL(S). THE PROGRAM AND MANUAL(S) ARE PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT. KA FURTHER DISCLAIMS ALL WARRANTIES WITH REGARD TO YEAR 2000 COMPLIANCE OF THE SOFTWARE. SPECIFICALLY, KA MAKES NO WARRANTIES THAT THE PERFORMANCE OR FUNCTIONALITY OF THE PROGRAM WILL NOT BE AFFECTED BY DATES PRIOR TO, DURING OR AFTER THE YEAR 2000, OR THAT THE PROGRAM WILL BE CAPABLE OF CORRECTLY PROCESSING, PROVIDING, AND/OR RECEIVING DATE INFORMATION WITHIN AND BETWEEN CENTURIES, INCLUDING THE PROPER EXCHANGE OF DATE INFORMATION BETWEEN PRODUCTS OR APPLICATIONS. ANY WARRANTY AGAINST INFRINGEMENT THAT MAY BE PROVIDED IN SECTION 2-31.2(3) OF THE UNIFORM COMMERCIAL CODE AND/OR IN ANY OTHER COMPARABLE STATE STATUTE IS EXPRESSLY DISCLAIMED. The entire risk arising out of use or performance of the Program remains with You; however, KA warrants the Master Disk(s), on which the Program is furnished, to be free from defects in materials and workmanship, under normal use, for a period of ninety (90) days from the date of delivery. KA's sole liability in the event of a defective disk shall be to give You a replacement disk. Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations may not apply.
8. **Limitation of Liability.** NEITHER KNOWLEDGE ADVENTURE, ITS PARENT, SUBSIDIARIES, AFFILIATES OR LICENSORS SHALL BE LIABLE IN ANY WAY FOR LOSS OR DAMAGE OF ANY KIND RESULTING FROM THE USE OF THE PROGRAM, INCLUDING, BUT NOT LIMITED TO, LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER COMMERCIAL DAMAGES OR LOSSES. Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.
9. **Equitable Remedies.** You hereby agree that KA would be irreparably damaged if the terms of this License were not specifically enforced, and therefore you agree that KA shall be entitled, without bond, other security, or proof of damages, to appropriate equitable remedies with respect to breaches of this License, in addition to such other remedies as KA may otherwise have available to it under applicable laws. In the event any litigation is brought by either party in connection with this License Agreement, the prevailing party in such litigation shall be entitled to recover from the other party all the costs, attorneys' fees and other expenses incurred by such prevailing party in the litigation.
10. **Limitations on License.** Nothing in this License Agreement shall preclude you from making or authorizing the making of another copy or adaptation of the Program provided, however, that (1) such new copy or adaptation is created as an essential step in your utilization of the Program in accordance with the terms of this License Agreement and for NO OTHER PURPOSE; or (2) such new copy or adaptation is for archival purposes ONLY and all archival copies are destroyed in the event of your Transfer of the Program, the Termination of this Agreement or other circumstances under which your continued use of the Program ceases to be rightful.
11. **Miscellaneous.** This License shall be deemed to have been made and executed in the State of California, and any dispute arising hereunder shall be resolved in accordance with the law of the State of California. This License may be amended, altered or modified only by an instrument in writing specifying such amendment, alteration or modification executed by both parties. In the event that any provision of this License shall be held by a court or other tribunal of competent jurisdiction to be unenforceable, such provision will be enforced to the maximum extent permissible and the remaining portions of this License shall remain in full force and effect. This License constitutes and contains the entire agreement between the parties with respect to the subject matter hereof and supersedes any prior oral or written agreements. This License is the complete and exclusive statement of the agreement between the parties hereto, and this License supersedes any prior or contemporaneous agreement, either oral or written, and any other communications between the parties hereto.

# Welcome to JumpStart 3rd Grade®!

Mischievous Polly Sparks has sent robots back in time to change history in order to match the answers she gave on her history test. Help Botley, the friendly robot, foil her plan before history is history!

## Installing the Program

Insert the *JumpStart 3rd Grade* CD into your CD-ROM drive and close the drive door. Close all running applications.

### Windows® 98/95

If you are using the AutoPlay feature of Windows 98/95, simply click **Install** when the Autorun screen appears and follow the prompts to complete installation.

If you are **not** using AutoPlay, follow these installation steps:

1. Click **Start**, then move the cursor to **Settings**.
2. Click **Control Panel**, then double-click **Add/Remove Programs**.
3. Click **Install**, then **Next**, then follow the prompts.

### Macintosh®

1. Click the **JumpStart 3rd Grade Installer** icon to launch installation.
2. Follow the on-screen prompts to finish the installation.

## Uninstalling Under Windows® 98/95

To remove *JumpStart 3rd Grade* from your system:

1. Click **Start**, then move the cursor to **Settings**.
2. Click **Control Panel**; double-click **Add/Remove Programs**.
3. Click **JumpStart 3rd Grade 2001**, then click **Add/Remove**.
4. Click **Yes**, then go to Windows Explorer and delete the **JS3G2001 folder** from the **Program Files\Knowledge Adventure folder** on your hard drive.

## JumpStart Adventure Challenge and J\*Mail™

Disc 2 includes two bonus applications. In the *JumpStart Adventure Challenge*, kids can play five fun-filled extreme games along with their JumpStart adventure pals. Using *J\*Mail*, kids can exchange e-mails with friends, and also receive special e-mails from JumpStart characters. To install these bonus programs, insert the *Adventure Challenge* CD into your CD-ROM drive.

## Running the Program

Close all running applications, insert the *JumpStart 3rd Grade* CD into the CD-ROM drive and close the drive door.

## Windows® 98/95

If you are using the Windows 98/95 AutoPlay feature, simply click **Play** when the Autorun screen appears.

If you are **not** using AutoPlay, follow these steps:

1. Click **Start**, move the cursor to **Programs**, then to the **Knowledge Adventure** folder, then to the **JumpStart** folder.
2. Click the **JumpStart 3rd Grade 2001** icon.

## **Macintosh®**

Double-click the **JumpStart 3rd Grade 2001** icon on the desktop.

## **Running the Bonus Applications**

The *JumpStart Adventure Challenge* and *J\*Mail* can each be launched in two ways. One way is to access the SmartTools toolbar in *JumpStart 3rd Grade* and click the button. They can also be launched independently of *JumpStart 3rd Grade* by clicking the appropriate icon on your computer's desktop or Start menu.

## **Other Special Features**

Accessible from Windows Autorun screen or Mac desktop.

**Help** – A complete User's Guide is available on the CD, viewable using a web browser. (Help is also available in a text file format.)

**SmartTools On/Off** – Toggle the SmartTools Toolbar on or off.

**Assessment Test** – Customize the program to the child's skill levels.

**Web Sites** – [www.JumpStart.com](http://www.JumpStart.com)

## Technical Support Tips

Try these tips before contacting Technical Support:

- Make sure the CD surface is free of all fingerprints and scratches.
- Try running the program on a friend's computer to determine whether the CD is damaged or if there is another cause of the problem.
- Try adjusting the color depth on your computer to 256 colors and see if the program will install or run.
- Close all background applications except "Systray" and "Explorer" (for Windows® 98/95) and try to install or run the program.
- Run the program with a "minimum" extension set (for Macintosh®).
- Make sure your sound and video card drivers are the latest versions available (for Windows® 98/95).
- Make sure your extensions are the latest versions available (for Macintosh®).

If you need to contact Technical Support, please have available:

- Product name and version number (on the face of the CD)
- Processor and speed (e.g., Pentium® II 450 MHz / Power Mac™ 7100)
- Operating system and version (e.g., Windows® 98 / Macintosh® OS 8.5)
- Manufacturer and/or brand of sound and video cards
- Error messages (if any)
